

REMARKS/ARGUMENTS

This is in response to the Office Action of July 1, 2005 requiring restriction to one of the inventions of Groups I to III.

Applicant elects the invention of the claims of Group I, claims 1-13, to be examined. Therefore, claims 1-13 are requested to be examined in this application, and claims 14-17 are withdrawn.

The Examiner also required an election of one of two species, that of either Fig. 1 or Fig. 8. Applicant provisionally elects the species of Fig. 1, although Applicant notes that Fig. 8 is a broader view of the clip of Fig. 1 in use. All claims are drawn to the elected species.

Applicant reserves the right to file a divisional application on the withdrawn claims.

If any issues remain, or if the Examiner believes that prosecution of this application might be expedited by discussion of the issues, the Examiner is cordially invited to telephone the undersigned attorney for Applicant at the telephone number listed below.

It is believed that no additional fees are due. However, if and to the extent that any additional fees are required, authorization is given to charge payment of such additional fees, or credit any overpayment, to Deposit Acct. 13-4213.

Respectfully submitted,
